## CATERING MENU

Our catering menus are designed with the freshest seasonal and local ingredients available. We are dedicated to providing our members with the best products from local farms in support of our community. We have extensive menu options however; we are committed to providing our members with the best culinary experience. We will work together to create custom menus to suit your individual needs and personal taste. We will make every effort to accommodate special requests due to dietary restrictions.

We have a nice collection of wines, specialty libations and spirits. We will work with you to provide a custom experience for your celebrations.

Our preferred Pastry Chef can design and create the perfect custom cakes, cupcakes, cookies and sugary confections.
